

Overview

This document presents our pricing structure for all available banking as a service and money movement (payment) suite of products. If there are any questions, send an email to busdev@getanchor.co, and we will be happy to answer them.

In this document, you will find our fees for the following services:

- Account
- Payment / Money Movement
- Verifications (KYC / KYB)

Account

Compliant & configurable bank accounts / virtual accounts to hold and store customer deposits, customers will be able to generate accounts in minutes.

At Anchor, we have different types of accounts:

- NDIC Insured Nuban deposit account (for consumers & businesses)
- Virtual account number (static & dynamic) (for collections)
- Sub-Ledger Account (for wallets and more)

Services	Amount
Deposit Account Creation	₦0.00
Virtual Account / Sub Ledger Account Creation	₦0.00
Monthly Account Maintenance	₦0.00
Generate Account Statement	₦0.00

Payment / Money Movement

Low-cost transfer of funds and bills payment from within any application.

With transfers, customers will be able to instantly transfer money to any bank account. Customers can also transfer from Sub Ledger accounts to NUBAN accounts, add multiple recipients, and pay all of them at once from the dashboard.

Product features include:

- Interbank transfer (NIP) (Inbound / outbound)
- Book transfer (Intra bank)
- Bulk transfers/payout

Services	Amount
